

## **Part-Time Staff Psychotherapist - Missoula, MT**

### **About the Eating Disorder Center of Montana**

Established in 2013, the Eating Disorder Center of Montana (EDCMT) offers outpatient, intensive outpatient (IOP) and partial hospitalization program (PHP/day treatment) levels of care, across two locations in Bozeman and Missoula. Our multidisciplinary team includes a psychiatrist, psychotherapists, registered dietitians, registered nurses, a house chef, and yoga-trained milieu therapists—all of whom support EDCMT's mission to light the way out of eating disorders, freeing patients to live wholeheartedly. We treat all genders, ages 12 and older, in support of our vision of creating a future where every patient can live out loud, having overcome their eating disorder through wide-open access to compassionate, expert patient care.

### **Job responsibilities**

- Provide individual, group, and family therapy
- Lead psychoeducational, experiential, and skills-based group therapy
- Conduct clinical assessments and determine level of care
- Formulate and implement treatment plans
- Work collaboratively within a dynamic team to provide the best care possible to patients
- Attend one team meeting per week

### **What you'll bring**

- Passion for treating eating disorders
- Creative and open to develop clinical thinking within a treatment team
- Intellectually curious and excited to learn
- Grounded and calm
- Have knowledge of clinical diagnoses as reflected in the DSM-5-TR
- Desired credentials include a fully-licensed (MA or PhD) LCPC, LMFT, or LCSW who holds a license in Montana.

### **Benefits**

- We provide training to build upon or complement our existing evidenced based experiential dynamic therapy model.

- \$70/hour for client facing work, \$40/hour for administrative/team work
- 20-25 hours per week
- Flexible time off policy
- Cell phone stipend
